HONEYWELL ANNOUNCES 2015 DIAMOND DISTRIBUTORS

Building Control Systems Program Increases Loyalty While Recognizing Exceptional Business Results

MINNEAPOLIS, Aug. 19, 2014 – Honeywell (NYSE: HON), a leader in intelligent and energy efficient building systems today announced the Authorized Systems Distributors (ASDs) that achieved status as a 2014-2015 Diamond Distributor. Started in 2005, the Diamond Distributor program recognizes those distributors that are achieving exceptional results and driving the market with innovative Honeywell solutions along with a strong, continuous commitment to providing superior value-added services and meeting their customer needs.

“The Diamond Distributor program is a great way to formally recognize top Honeywell distributors for their continued investment in their customers and ongoing business growth via the best industry products,” said Larry Weber, general manager, Honeywell Building Control Systems. “The 2015 recipients continue to drive new technologies while at the same time differentiate themselves among other companies in the marketplace.”

The 2015 Diamond Distributors include:

- Broudy Precision Equipment – West Conshohocken, PA
- Control Consultants, Inc. – Weymouth, MA
- Control Depot – Omaha, NE
- Ener-Tech Industries - Nashville, TN
- Quality Controls - Birmingham, AL
- Industrial Controls – Eatontown, NJ
- M&M Controls - Timonium, MD
- United Refrigeration, Inc. –Elmsford, NY
- MIControls – Seattle, WA
- Stromquist & Company – Smyrna, GA

-MORE-

2-Honeywell Distributor of the Year

- Universal Supply Group – Hawthorne, NJ
- WestExcel Automation – Regina, SK

ASDs are measured annually from July 1 – June 30th. To qualify for the Diamond Distributor program, companies need to achieve a minimum volume of product purchases from Honeywell during the prior measurement period, and earn a top score on the Diamond scorecard that measures both business results and market behaviors.
